ESCAPE CUTOFF BY THE FLAMES

Fire in Eleven-Story Building in Cincinnati Cause of Wild Panic.

SEVERAL GIRLS INJURED

CRAZED WITH FEAR, THEY JUMPED FROM WINDOW.

Cincinnati, Oct. 29.—A fire panic caused several girls employees of offices in the eleven-story Neave building, corner of Fourth and Race streets, to leap from the windows at noon today. At least ten of them were hurt, several seriously, while one fireman was badly injured. The fire started on the sixth floor, the flames soon bursting from the window. Five times the huge burst of flames, where they lay until the flames burst through the windows as high as the eighth floor, where many of the girls were seen preparing to leap to the ground when the firemen arrived.

The corner is one of the busiest in the retail section and the street was quickly clogged with crowds so that for a time there was difficulty in fighting the fire.

Miss Louise Boutet, a dressmaker on the tenth floor, leaped from a window on that floor to the ground, where she landed on the fifth floor level and was badly hurt. Broke Out on Fourth Floor.

The fire broke out in the offices of the Pittsburg Calcium Light company on the fourth floor, spreading quickly to the offices of the Pattern Makers' League, the flames and smoke poured out of the windows on the fourth, fifth and sixth floors many of the girls in the building appeared at the windows and seemed in the act of jumping. A number three coats out and then crawled out on the broad window ledges, where they lay until the flames burst through the windows, burning many women painfully. All suffered painful injuries in the fall, but one, Louise Boutet, who was taken to the City hospital, where her injuries were reported to be serious.

Miss Marie Brandt ran through the flames and was seriously burned about the head and arms.

Most of the injured suffered from contact with the flames, although several were cut by glass.

Some of the Injured.

Among the injured were:

Irene Lucas, painfully burned.

Marie Marty, burned and cut.

Hilda Doerfer, burned.

Charles Wiebering, tailor, burned.

Louis Purten, fireman, badly hurt by fall from second story.

Miss Hollander, forelady in dressmaking room, badly burned about head and arms.

Anna Bohlander, badly burned.

Girls Showed Nerve.

Although the fire was brought under control within less than half an hour after the flames were discovered, that interval of time encompassed several dramatic events. Peering down through the smoke and flames with the burning firemen, more than a score of women crowded on the broad window ledges trying to escape the flames before they reached the offices behind them. Below, fire ladders, life nets and all manner of other life saving apparatus were being prepared for such as might leap from the horror of fire to the almost certain death on the street below.

One young woman, crazed by fear, tore herself from friends and jumped from the tenth floor to an adjoining roof five stories down, being dangerously injured. Broken glass injured some, scorching flames placed its mark on others. As fast as they were brought from the building the injured were taken to the hospital, or, if less seriously hurt, to their homes.

At least ten went to hospitals, while more than that number were taken to their homes.

MORE SOLDIERS SENT TO HAWAII

First and Third Squadrons of Fifth Cavalry Assigned to the Islands.

Washington, Oct. 29.—An important assignment of troops was made today to the Hawaiian Islands, in pursuance of a plan determined upon by the department several months ago substantially to increase the garrison there. The headquarters band and the First and Third squadrons of the Fifth Cavalry were today ordered to the islands. There are now four companies of infantry there, and that number has long been inadequate in view of the plan to build up a better naval station. It is understood that with the improvement of Pearl harbor the war department considered it necessary to have a substantial guard there. Some time ago a company of engineers was ordered to the islands and will sail from San Francisco Nov. 4.

Good Military Reservation.

There is a splendid military reservation now on the islands, furnishing ample quarters for the additional troops. It is understood that the plans also call for batteries of artillery.

The band and first squadron of the Fifth Cavalry now are at Fort Huachuca, Arizona, and the Third Squadron of the Fifth Cavalry is at Fort Wingate, Arizona.

Companies E, F and G, Fifth Cavalry, now at Fort Apache, Arizona, are ordered to the Yellowstone park, troop H remaining at Fort Duchesne, Utah. Troops F and H of the Eighth Cavalry, now at Fort Yellowstone, are ordered to Fort Apache, Arizona. Squadron headquarters and two troops of the Third Squadron, Third Cavalry, to be designated by the squadron commander, are transferred from Fort Sam Houston, Texas, to Fort Wingate, the garrison post.

Transfer Ordered.

The following transfers and assignments were made incident to these movements of troops.

Captain Nisson, Fifth cavalry, from

troop H to troop L, Captain Hall, same regiment, from troop P to troop H, Captain Connell, Fifth cavalry, assigned to work in the department.

COMMITTEEMAN OF INDEPENDENCE PARTY LEAVES THE HEARST OUTFIT

Declines to Lend the Use of His Name for the Sole Purpose of Aiding Taft Campaign.

Kansas City, Oct. 29.—J. L. Woods, a member of the Independence party, national committeeman for Missouri, resigned that position today in a letter forwarded to William R. Hearst, national chairman. In his letter Mr. Woods said: "This is to notify you that I withdraw all relations or connections as national committeeman for Missouri, with the executive board of the Independence party, not wishing to have my name connected with any party or persons who purchase or otherwise obtain correspondence, stolen by other persons, for publication, to the detriment or advantage of others, or for the upbuilding of yourself or the Independence party."

"Also, I do not wish my name connected with a party whose affiliations are so closely connected with other parties, and whose only aim is to help defeat Bryan. Taft wanted Foster put out of business, and you played the part of 'remover' and, with a grand stand play to keep up appearances, went after Foster, with no proof of guilt, to down Bryan, and in my belief the Independence party receives its campaign money from Republican sources. I was led to believe the Independence party and platform was to advocate the principles of Jefferson and Lincoln and to build up from the better class, from all parties, and stand for the best interests of the common people, and not affiliate with, nor favor any party."

Mr. Woods asserts that the Independence party has not kept these promises, and adds:

"Bryan and Standard Oil have been its only campaign issue."
